

Introducing a new fast bus to Bath from Trowbridge, and Bradford on Avon

starting on 1 June 2020

To help passengers to maintain social distancing on the D1 bus service, an experimental fast bus service is being introduced by First Bus between North Bradley, Trowbridge, Bradford on Avon and Bath on weekdays from 1 June.

The new service will be called the "D1x" and will normally be operated by double decker buses at the times shown below. When heading towards Bath, these extra buses will call at all the normal D1 bus stops as far as Christchurch at Bradford on Avon, then will run direct to Bath City Centre, missing out Winsley Road, Winsley village and the low bridge at Limpley Stoke:
