

I would like to wish everyone across the Parish a very peaceful and safe Christmas. 2021 has been a year I don't think many of us will forget. Residents have risen to the challenges presented by Covid and rallied together to provide the necessary support. As we approach Christmas it is so important that we take a moment to stop and think of anyone we know in our street or wider community who may need extra help.

With warm wishes for a happy festive season, please stay safe. If we all follow Government guidelines together, we will recover and have a more positive year in 2022.
